In A Space will invigilate the exhibition, take care of all artworks and sell artworks on behalf of the artists for a 25% commission rate. In a Space does not charge any other costs to artists other than the sales commission; however, if you wish to give a small donation of £10 towards our charity, it would be gratefully received.

Successful applicants will be required to hand in and/or email us a price list. **Please remember to include our 25% commission within your price.**

About Us

We are 'In A Space'. We are a Kent-based charity inspired by growing evidence on the role of the arts in improving health and well-being. Since starting up in 2020, we have delivered both multimedia Zoom art classes and live classes for people of various backgrounds and abilities, as well as supporting multidisciplinary artists via residencies.

During August 2023, we found our home at our creative hub in Whistable, where we aim to provide affordable studio space for artists to develop their creative practice and facilitate affordable creative sessions for members of the general public.
