

In A Space Creative Hub Middle Wall Whitstable

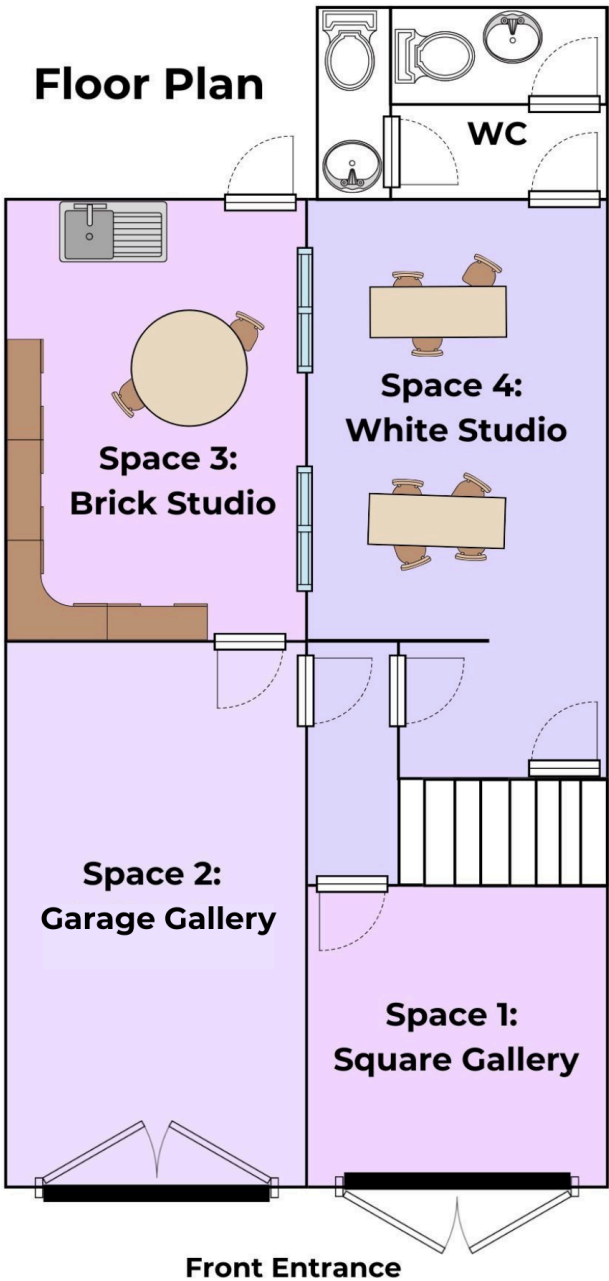

In the heart of Whitstable situated between the high street and the sea In A Space has procured a versatile, creative space now available for hire. The premises are a 5-minute walk from a bus stop, a choice of car parks and a 15-minute walk from Whitstable Railway Station.

The space available is on the ground floor of a two-story building.

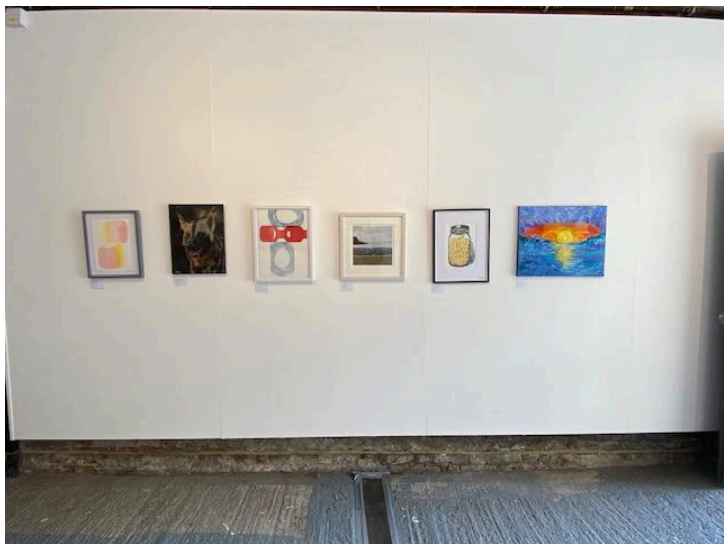

The space comprises 4 rooms suitable for varying art activities including exhibitions, workshops, group meetings, pop-up markets and artist studio space.

In A Space will also seek funding to deliver accessible workshops for local residents and create opportunities for local artists.

Address	
35 Middle Wall, Whitstable, CT5 1BJ	
If you are interested in long-term or recurring hiring of the space and wish to discuss discount prices or any other hiring queries contact us at info@inaspace.org	
Facilities and additional information:	 Floor Plan The floor plan shows a rectangular building layout. At the top right is a WC (Toilet) area. Below it is Space 4: White Studio, which contains two tables and chairs. To the left of Space 4 is Space 3: Brick Studio, which contains a round table and chairs. Below Space 3 is Space 2: Garage Gallery. To the right of Space 2 is Space 1: Square Gallery. A staircase is located between Space 2 and Space 1. The front entrance is at the bottom center, with two sets of double doors leading into Space 2 and Space 1.
We have free-standing easels, drawing boards, tables, desks and chairs available for use for those hiring the space, these are subject to availability. All artists who want to lead workshops and run an exhibition must have public liability insurance, this must be evidenced when applying for hire. There is no on-site parking available, however, there are many local car parks which give easy access to the space. There will be limited on-site drop-off and parking available at weekends.	

Room 1: Square Gallery		This Space is available 7 days a week however please be aware Monday to Friday cars are parked outside the double doors. The space has exhibition standard boarding and lighting and newly installed double glass doors. The space now benefits from natural lighting, shelter from weather as well as great visibility for displayed work.
